

MAINTENANCE

CITROUS POWER

LOW TOXICITY CLEANER
FOR OIL CLEANING AND METAL DEGREASING

DESCRIPTION

CITROUS POWER is a water-based, general-purpose degreaser, to be used as an environmentally friendly and engine room, deck, bulkhead and accommodation general cleaner.

APPLICATION

CITROUS POWER has a broad range of application areas in engine rooms, decks, bulkheads, accommodation and tank cleaning. More specifically, on deck it may be used for the cleaning of soot stains, bulkheads, tank tops, decks, tools, and exhaust housing surfaces. Also, suitable for deodorizing tanks and for precleaning before painting.

For Hotel, use **CITROUS POWER** for cleaning crew quarters, showers, toilets, sinks, floors, bulkheads, decktops, portholes, etc.

When it comes to Galley, use for mess area, tabletops, floors, grills, ovens, bulkheads, counter tops, refrigeration room, ventilator fan blades, louvers, etc.

USE AND DOSING

CITROUS POWER can be diluted to a 5% solution in water for light cleaning, or up to 20% for more contaminated areas. Allow it to soak for maximum 15 minutes before rinsing with a water jet. If possible, use warm water at (20°C - 60°C) for dilution and rinsing to increase the effectiveness of the product.

For heavy contamination, apply **CITROUS POWER** by spraying undiluted and leave it for several minutes on the surface. Before it dries, it must be hosed down with a powerful water jet.

PRODUCT PROPERTIES

The concentrated product may react with aluminium, zinc, tin and their alloys. Rubber/synthetic rubber may swell. It is highly recommended to always test all cleaner solutions on a small area of the object to be cleaned, before full scale application. General Instructions: Avoid spillage, splashing and mishandling. Precautionary measures for body protection are strongly recommended before and during use.

Appearance:	Liquid	pH (undiluted):	Alkaline
Type:	Water based	Flash Point:	None

- ✓ Environmentally friendly product
- ✓ Versatile; suitable for most cleaning needs
- ✓ No solvents, non-flammable
- ✓ Biodegradable, non-toxic, wastewater will split into an oil/water phase
- ✓ Fresh smell
- ✓ Strong degreasing properties when diluted
- ✓ Leaves no film residues on cleaned surfaces
- ✓ Suitable for most common metals and coatings
- ✓ Suitable for use with oil/water separators
- ✓ Cost-effective and easy to use

PROBLEMS SOLVED

- ✓ Oil cleaning
- ✓ Metal degreasing
- ✓ Deodorizing

APPLICATION AREAS

- ✓ Metal structural surfaces
- ✓ Engine room
- ✓ Deck
- ✓ Hotel
- ✓ Galley
